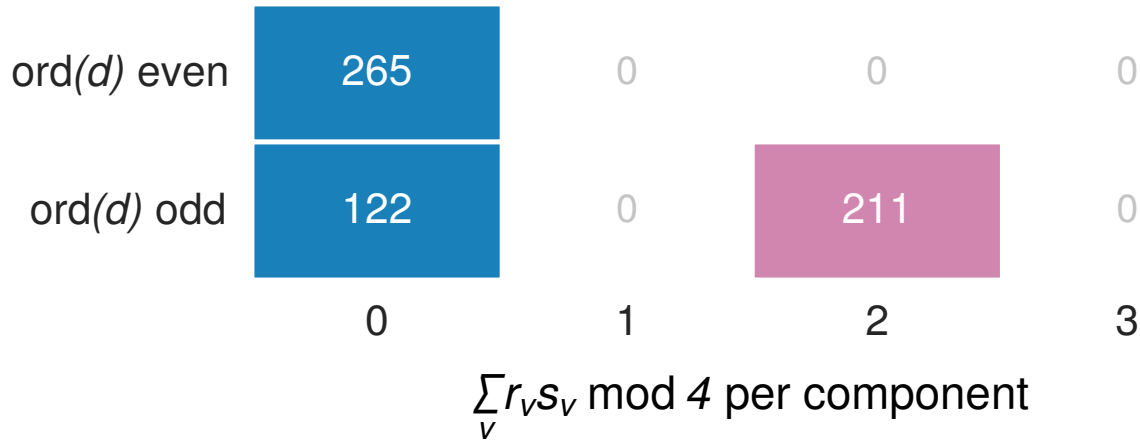
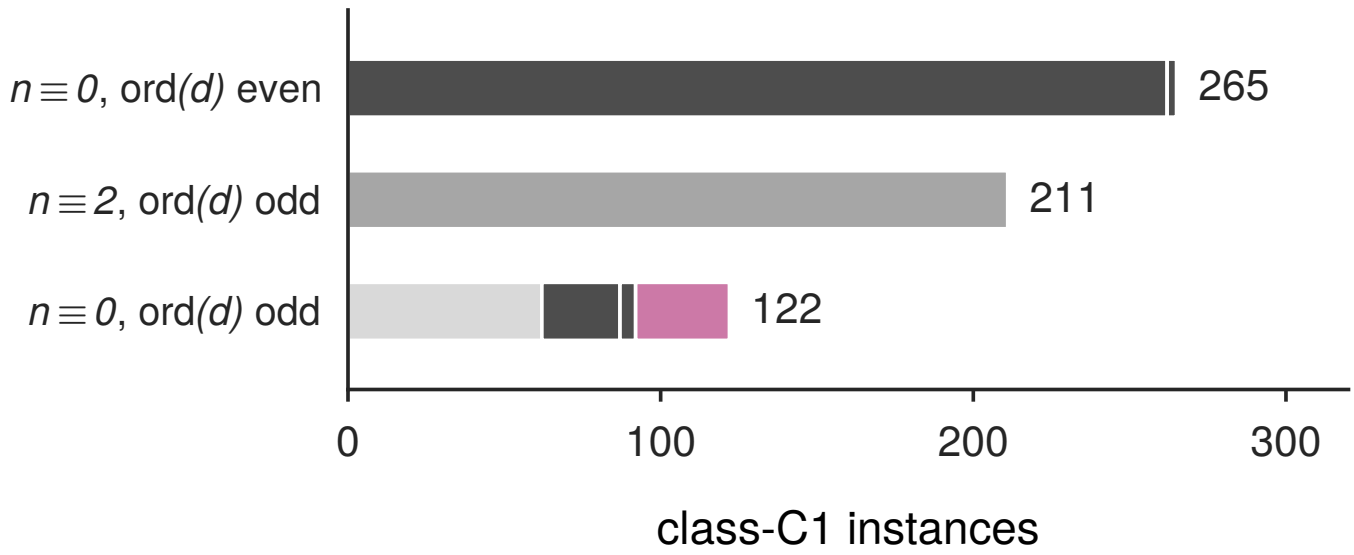
a where the componentwise mod-4 condition obstructs

rose: obstructed; blue: not obstructed



b resolved status of the same instances

segments left to right, darkest to lightest:
UNSAT-theorem, UNSAT-cert, UNSAT-solver,
SAT-solver, SAT-witness; open in rose



all 211 obstructed instances are UNSAT by the mod-4 result;
80 of them had a capped solver call, and none of the 211 is SAT
